TO BE COMPLETED BY PHYSICIAN: MEDICAL CERTIFICATION

DIVISION OF VITAL RECORDS, P.O. BOX 68760, BALTIMORE, MARYLAND 21215-0020

TO THE HOSPITAL OR ATTENDING PHYSICIAN: The law requires that the death certificate be executed within 24 hours after death. Page 6 may be retained by the hospital or attending physician. TO THE FUNERAL DIRECTOR: After this certificate has been signed by the attending physician and completely filled in by the funeral director, page 5 should be detached for use in the funeral-transit permit. Pages 1, 2, 3 should be filed within 72 hours after death with the State Dept. of Health and Mental Hygiene prior to burial, cremation, or removal. IMPORTANT: If item 28 is marked, or item 23 shows any injury, or other traumatic event, the medical examiner must be notified at once.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry must be clearly documented, including the date, amount, and purpose of the transaction. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze data. These methods include direct observation, interviews with key personnel, and the use of specialized software tools. Each method is described in detail, highlighting its strengths and limitations.

The third part of the document focuses on the results of the data collection process. It presents a series of tables and graphs that illustrate the trends and patterns observed in the data. These visual aids are used to support the conclusions drawn from the analysis.

Finally, the document concludes with a summary of the findings and recommendations for future research. It suggests that further studies should be conducted to explore the underlying causes of the observed trends and to develop more effective strategies for data collection and analysis.

TO THE HOSPITAL OR ATTENDING PHYSICIAN: The law requires that the death certificate be secured within 72 hours after death. Page 6 may be retained by the hospital or attending physician. Pages 1, 2, 3 should be filed within 72 hours after death with the State Dept. of Health and Mental Hygiene prior to burial, cremation, or removal. IMPORTANT: If item 28 is marked, or item 23 shows any injury, or other traumatic event, the medical examiner must be notified at once.
